## ACHIEVEMENTS & AWARDS

---

- **Google Code-in 2018 Grand Prize Winner** 2018
  - Google Code-in is a contest by Google to encourage participation in open-source software. I completed 34 tasks in the contest and was selected as the Grand Prize winner by KDE Community.
  - As a part of the prize, I got a week long all-expenses paid trip with a parent to Google's Headquarters in Mountain View, California.
- **Ranked 52 out of 15817 globally in PicoCTF** 2019
  - CTFs are cybersecurity competitions consisting of a series of challenges where participants must reverse engineer, break, hack, decrypt, or do whatever it takes to solve the challenge. PicoCTF is a contest organised by security experts at Carnegie Mellon University.
  - I was ranked 52nd out of 15817 among high school and college students from around the world.
- **Selected for INOI** 2019
  - Indian National Informatics Olympiad(INOI) is the precursor to the International Olympiad in Informatics(IOI)
  - I scored 110 points out of 200, and was selected since the cutoff was 0 points.
- **Qualified in KVPY** 2018
  - The Kishore Vaigyanik Protsahan Yojana (KVPY) is a fellowship program initiated and funded by the Department of Science and Technology, Government of India, to attract exceptionally highly motivated students for pursuing basic science courses and research career in science.
  - I was short-listed from almost 50,000 students to appear for an interview which is the final stage of the selection procedure.
- **State topper in Mathematics Olympiad** 2019
  - I got the first rank in my state(Maharashtra)
